

South Australian Regional Bridge Upgrades

Inman Valley Road – Culvert Replacement Works

The Department for Infrastructure and Transport (the Department) is upgrading the culvert on Inman Valley Road, adjacent to the junction with Hurrel Road, west of Inman Valley. These works will extend the service life of the structure and improve safety for road users.

This work is funded by the South Australian Government as part of the Bridge Stimulus Package.

To accommodate these works, a temporary road closure will be required on Inman Valley Road **on Monday, 30 January 2023, weather permitting, with a detour in place between the hours of 7am and 5pm**. Local access will be maintained at all times. Please see detour map overleaf.

Outside of the above road closure times, the road will remain open with traffic reduced to a single lane. Temporary traffic signals will be in place to control the direction of traffic. Speed restrictions will also be in place throughout the work area for the remainder of the project.

Road users are asked to please plan ahead, expect delays, allow extra travel time and take extra care when workers are on site. Observe speed limits, lane restrictions and traffic controllers when travelling through the area.

Access to properties will be maintained throughout the works wherever possible, with advance notice provided if there is a need to temporarily restrict driveway access.

Some noise disturbance can be expected at times while these works are completed, however the work will be managed to minimise disturbance to nearby properties as much as practically possible.

The Department appreciates your co-operation and patience while these important works are undertaken.

To keep up to date as these works progress, we encourage the community to register for email updates. Please visit the project website www.dit.sa.gov.au/SARegionalBridges to register.

If you have any questions or would like to speak to a member of the project team, please call 1300 794 880 or email DIT.Engagement@sa.gov.au

Kind regards
