

List of Prequalified Safe System Assessors

Government of South Australia
Department for Infrastructure
and Transport

Organisations who undertake Safe System Assessments on behalf or for the consideration of the Department for Infrastructure and Transport (DIT) must as a minimum employ the services of a DIT prequalified Safe System Assessor.

In order to obtain prequalification, applicants must complete an appropriate Safe System Assessment course. Upon completion of this course, the applicant can apply for prequalification by sending an email with your Name, Address, Company and Email Address, and proof of course completion to natasha.stone@sa.gov.au.

Please note, prequalification is not to be construed as a guarantee of work. Prequalification only determines a Safe System Assessors eligibility to consider for work (e.g. tender), subject to meeting any further requirements.

Name	Organisation	Address	Email
Nicki Page	AECOM	Level 28, 91 King William Street, Adelaide, SA 5000	Nicola.Page@aecom.com
Alan Villarante	Advisian / Worley	218 Cashel Street, Christchurch Central, Christchurch 8011, New Zealand	Alan.villarante@advisian.com
