

# Gawler Rail Electrification Project

## Pedestrian Crossing Upgrade, Marsh Avenue and Beadnall Terrace, Gawler South

As part of the Gawler Rail Electrification Project, the existing northern pedestrian crossing between Marsh Avenue and Beadnall Terrace will be replaced with a new active pedestrian crossing in the same location.

The activation of the crossing will be completed in two stages. The first stage of works involves the construction of a new pedestrian maze and path.

**When:** The first stage of works will commence from **Monday, 21 June 2021** and take approximately 4 weeks to complete, weather permitting. Works will take place from 7am to 7pm Monday to Saturday each week.

**Location:** Northern pedestrian crossing between Marsh Avenue and Beadnall Terrace, Gawler South (refer to map).

**Pedestrian access and detours:** Pedestrian access will be maintained at all times via the southern pedestrian crossing between Marsh Avenue and Beadnall Terrace. Please observe signage and directions from traffic controllers.

**What you can expect:** Some noise, dust and vibrations may be experienced from construction machinery. Every effort will be made to minimise disruption to residents and pedestrians during these works.

For more information, please call 1300 080 834, email [dit.gawlerelectrification@sa.gov.au](mailto:dit.gawlerelectrification@sa.gov.au) or visit [www.dit.sa.gov.au/grep](http://www.dit.sa.gov.au/grep).
