

Tea Tree Plaza New Park 'n' Ride

The South Australian Government has committed \$43.5 million to deliver additional parking at the Tea Tree Plaza Park 'n' Ride.

This new Park 'n' Ride facility will be built around 100 metres east of the existing 700 park facility and increase the number of Park 'n' Ride spaces available to around 1,200.

This new facility aims to meet demand for Park 'n' Ride commuters and increase public transport usage in the north-eastern suburbs.

It will be available 24/7 to commuters and will be complimentary to the design of the existing Tea Tree Plaza Park 'n' Ride.

Work will also include an upgrade to the current Park 'n' Ride access road junction with Smart Road.
