

Darlington wall remediation works

Southern Expressway, Main South Road and Sturt Road traffic restrictions, Bedford Park

To enable work to continue on the permanent fix for the western section of the Darlington Upgrade Project's lowered motorway, the Southern Expressway between Flinders Drive and Sturt Road and the Sturt Road bridge will be closed during nightworks from 8pm Monday, 27 March to 6am Friday, 31 March 2023.

This is to ensure the safety of road users while the work on the permanent soil nail solution on the western side of the lowered motorway walls continues and Sturt Road bridge works is carried out.

Motorists will be directed to detour as follows:

- Northbound motorists on the Southern Expressway will exit at the Flinders Drive off ramp to Main South Road surface road (please see the red arrows on Map 1).
- Northbound motorists on Main South Road will be required to remain on Main South Road surface road (please see the red arrows on Map 1, below).
- Sturt Road bridge will be closed in both eastbound and westbound directions. Westbound motorists will be detoured using Main South Road southbound via Flinders Drive. Eastbound motorists will be detoured using Main South Road northbound via Mimosa Terrace (please see blue arrows on Map 1).

Right turn access to Flinders Hospitals will remain open.

Access for emergency service vehicles and pedestrians will be maintained at all times during these works.

Some noise disturbance can be expected at times while these works are completed, however the work will be managed to minimise disturbance to local residents as much as practically possible.

Please plan ahead, allow extra travel time and take extra care when workers are on site. Observe speed limits, lane restrictions and traffic controllers when travelling through the area.

If you have any questions or would like to speak to a member of the project team please contact us on 1300 794 880 or email dit.engagement@sa.gov.au
