

South Australian Regional Bridge Upgrades

Inman Valley Road – Culvert Replacement Works

The Department for Infrastructure and Transport (the Department) is upgrading the culvert on Inman Valley Road, adjacent to the junction with Hurrel Road, west of Inman Valley. These works will extend the service life of the structure and improve safety for road users.

This work is funded by the South Australian Government as part of the Bridge Stimulus Package.

To accommodate these works, a temporary road closure will be in place on Inman Valley Road, from 17 April 2023, for approximately three weeks, weather permitting. During this time a temporary detour will be in place via Bald Hills Road and James Track. Local access will be maintained at all times. Please see map overleaf for details.

Road users are asked to please plan ahead, expect delays, allow extra travel time and take extra care when workers are on site. Observe speed limits, lane restrictions and traffic controllers when travelling through the area.

Access to properties will be maintained throughout the works wherever possible, with advance notice provided if there is a need to temporarily restrict driveway access.

Some noise disturbance can be expected at times while these works are completed, however the work will be managed to minimise disturbance to nearby properties as much as practically possible.

Following the three week detour period, Inman Valley Road will reopen to traffic in both directions. Speed restrictions may remain in place whilst minor finishing works are completed for the project.

This project is expected to be completed in late mid-2023, weather permitting.

The Department appreciates your co-operation and patience while these important works are undertaken.

To keep up to date as these works progress, we encourage the community to register for email updates. Please visit the project website www.dit.sa.gov.au/SARegionalBridges to register.

If you have any questions or would like to speak to a member of the project team, please call 1300 794 880 or email DIT.Engagement@sa.gov.au

Kind regards
