Temporary change to work hours

As previously advised, early works are required for the purpose of some specific concrete pours for the Tea Tree Plaza Park 'n' Ride project. These works commenced on Thursday, 25 May and will occur over 10 individual days until mid-July 2023. The next pours requiring early starts are scheduled to occur (weather permitting) on:

- **Saturday 3 June.**

Please note that weather plays a key role in determining if a concrete pour can proceed on a scheduled date. If the forecasted or actual inclement weather conditions on notified concrete pour days is not favourable, the days concrete pour may be postponed and rescheduled to occur up to 24 hours either side of the dates notified *without further notice*. No works will occur on Sundays.
