

Cape Jervis and Kangaroo Island Ports Upgrade

Cape Jervis Works Update

We are upgrading the Penneshaw and Cape Jervis ports increasing the facilities' lifespan and supporting continued ferry services between Kangaroo Island and the mainland. This project is funded by the South Australian Government.

When complete, the upgraded ports will feature new, fit-for-purpose facilities including improved berthing areas, additional navigational equipment, and enhanced passenger amenities

What's happening:

Major works to upgrade the port infrastructure are underway at Cape Jervis. To ensure we maintain access to the ferry terminal and to minimise impacts to ferry timetables some activities will be undertaken at night, in addition to the regular day works schedule. Removing the existing passenger stairway and installing temporary passenger access will commence shortly and will be undertaken at night.

How this affects you:

Between **Thursday 4th April and Saturday 6th April 2024 these works will be undertaken between 7pm and 7am**, weather permitting. Some noise can be expected; however, we will make every effort to minimise impacts as much as practically possible.

Please observe on site signage, take care around construction vehicles, and follow the direction of traffic controllers.

Additionally, as previously advised, the Cape Jervis public jetty will close to the public from 6am Tuesday 2 April 2024.

When

Ongoing

Hours of operation

Between 7am and 7pm
Monday to Saturday.

Some Sunday work will be required

Night Works as required
between 7pm and 7am.

Where

Cape Jervis Harbor
Precinct

Government
of South Australia

Department for Infrastructure
and Transport

OFFICIAL

During our construction activities access to the ferry terminal and parking in the precinct will be maintained. The heavy vehicle turnaround area and overnight parking will continue to be available behind the lighthouse.

Onsite signage and traffic management will be in place if there is a need for any temporary changes.

We will provide advance notice of any significant changes to the schedule of works or additional impacts as the project progresses.

We encourage you to subscribe for project updates at www.dit.sa.gov.au/kiports to stay informed.

We thank you for your patience while these critical infrastructure works are completed
