

City Tram Extension Project Update

King William Road and North Terrace intersection night works

September 2018

The Department of Planning, Transport and Infrastructure (DPTI) would like to notify you of upcoming profiling and asphaltting works at the intersection of King William Road and North Terrace as part of finishing works for the City Tram Extension.

Night works will occur from **1am, Monday, 17 September** until **4:30am, Thursday, 27 September** each night, weather permitting.

Speed and lane restrictions will be in place in the vicinity of the works, with one lane maintained in each direction at all times. Signage and traffic management will be in place to advise motorists of changed conditions. Tram services will not be affected during these works.

Every effort will be made to minimise noise impacts to nearby residents and businesses. However, some noise will be unavoidable during this period.

Access to businesses, carparks and properties will be maintained throughout the works.

DPTI appreciates your patience and cooperation whilst these important works are undertaken.

For real time roadwork information, download the *Addinsight* app for Apple or Android or visit the Traffic SA website at www.traffic.sa.gov.au.

To receive project updates via text or email register your interest at www.citytramextension.sa.gov.au.

If you have any enquiries please telephone 1300 030 919 or email DPTI.CityTramExt@sa.gov.au
