

North-South Corridor

Northern Connector Project

South Road Superway on-ramp Permanent closure – January 2019

The South Road Superway on-ramp from the Port River Expressway (PREXY) will be permanently closed from 7pm Friday 11 January 2019.

For motorists travelling east on PREXY access to the Superway will be maintained via a detour to Hanson Road, refer to map.

Signage and traffic management will be in place to advise motorists of changed conditions. Delays may be experienced, so please plan ahead.

The closure is to facilitate the construction of the Southern Interchange, that will include restoring the southbound movement from PREXY to the South Road Superway for vehicles travelling from Port Adelaide and surrounds.

Thank you for your patience while these important works are undertaken.
