

Media Release

13 November 2019

Changed traffic conditions for Flinders Drive, Sturt Road and Main South Road

As part of the Darlington Upgrade Project, changed traffic conditions will be in place in the following locations from 8pm, Friday, 15 November, until 6am, Monday, 18 November, for road reconstruction works.

The below traffic arrangements will be in place at each location:

Flinders Drive

- The northbound lanes on Flinders Drive at the Main South Road junction will be closed, with northbound traffic shifted onto the southbound lanes.
- All movements will remain available at the junction of Main South Road and Flinders Drive, under the direction of traffic controllers.
- The Wentworth Avenue and Rupert Avenue exits onto Flinders Drive will be closed.

Main South Road

- The southbound kerbside lane of Main South Road will be closed between Riverside Drive and south of Brookside Road.
- All current movements will remain available at the junction of Main South Road and Franklin Avenue (left in, left out and right in).
- Riverside Drive will be open with left in and left out available.
- The traffic signals at the junction of Brookside Road and Main South Road will be under the direction of traffic controllers. Please note that motorists may experience short delays (up to five minutes) in the early hours of Saturday and Sunday morning as machinery works at the junction.

Sturt Road

- The eastbound carriageway of Sturt Road, east of Main South Road, will be restricted to one lane through the work area.
- All movements will remain available at the junction of Sutton Road and Sturt Road.

Please plan ahead, allow extra travel time, take extra care when workers are on site and observe speed and lane restrictions when travelling through the area.
