

South Australian Regional Bridge Upgrades

Brookman Road – Culvert Replacement Works

Heavy Vehicle Detour

The Department for Infrastructure and Transport (the Department) is upgrading the culvert located on Brookman Road, adjacent to the junction with Hammersmith Drive, south-west of Meadows. These works will extend the service life of the structure and improve safety for road users.

This work is funded by the South Australian Government as part of the Bridge Stimulus Package.

To accommodate these works, a temporary road closure will be in place on Brookman Road, from Monday, 1 May 2023, for approximately two weeks, weather permitting. During this time a temporary detour will be in place for heavy vehicles over 13 tonnes via Pottery Road, Pennys Hill Road, Oakley Road, McLaren Flat Road, Dashwood Gully Road to Brookman Road and vice versa. Please see map overleaf for details.

For information regarding permits and potential changes to requirements please refer to the National Heavy Vehicle Regulator (NHVR) website or email info@nhvr.gov.au.

Road users are asked to please plan ahead, expect delays, allow extra travel time and take extra care when workers are on site. Observe speed limits, lane restrictions and traffic controllers when travelling through the area.

Following the two week detour period, Brookman Road will reopen with traffic reduced to a single lane. Temporary traffic signals will be in place to control the direction of traffic. Speed restrictions will also be in place throughout the work area for the remainder of the project.

This project is expected to be completed in mid-2023, weather permitting.

The Department appreciates your co-operation and patience while these important works are undertaken.

To keep up to date as these works progress, we encourage the community to register for email updates. Please visit the project website www.dit.sa.gov.au/SARegionalBridges to register.

If you have any questions or would like to speak to a member of the project team, please call 1300 794 880 or email DIT.Engagement@sa.gov.au

Kind regards
