

Hahndorf Township Improvements and Access Upgrade

Works update – maintenance works on River Road

Vegetation trimming, shoulder sealing and fixing of localised pavement failures along River Road are underway.

What's happening

In addition to current daytime works on River Road, on **Sunday, 22 October and Monday, 23 October 2023**, we will be asphaltting to improve the existing road surface at the junction of River Road with Mount Barker Road on two nights **between 7pm and 7am**.

Further improvements to this junction are expected to commence in 2024.

How this affects you

Temporary lane and speed restrictions will be in place.

Please plan ahead, take extra care when workers are on site and observe speed limits and lane restrictions when travelling through the area.

Some noise disturbance can be expected at times while these works are completed, however we will minimise disturbance to nearby residents and businesses, as much as practically possible.

We thank you for your patience during these important works.
