

Adelaide Hills Productivity and Road Safety Package

Main Road, Cherry Gardens

We are delivering the Adelaide Hills Productivity and Road Safety Package to upgrade key strategic arterial roads in the region. The road improvements will support economic growth, improve road safety and increase fire resilience. The \$150 million initiative is jointly funded by the Australian Government (80%) and South Australian Government (20%) over five years.

What's happening:

Works are continuing along Main Road, Cherry Gardens with changed traffic conditions in place through the work zone.

How this affects you:

During night works, Main Road between Black Road and Cherry Gardens Road will remain temporarily closed, with detours in place. Local access for residents will continue to be maintained by onsite traffic controllers, with all other light and heavy vehicles required to follow the detours. See detour map for more information. Please note that Main Road will reopen outside night work hours.

Traffic on Main Road between Cherry Gardens Road and Chandlers Hill Road will be reduced to a single lane of traffic during night works in sections where works are being undertaken. Traffic controllers will be in place to control the direction of travel.

Some properties in close proximity to the works will have some restricted access. The project team will contact affected property owners, residents and businesses directly in advance. For any traffic or property access questions during night work hours, **please contact Bardavcol on 0499 686 232.**

This project is expected to be complete in early 2025.

When

Continuing until mid-May 2024, weather permitting.

Hours of operation

Monday to Friday between the hours of 7pm and 5am

Where

Along Main Road between Black Road and Cherry Gardens Road.

Australian Government

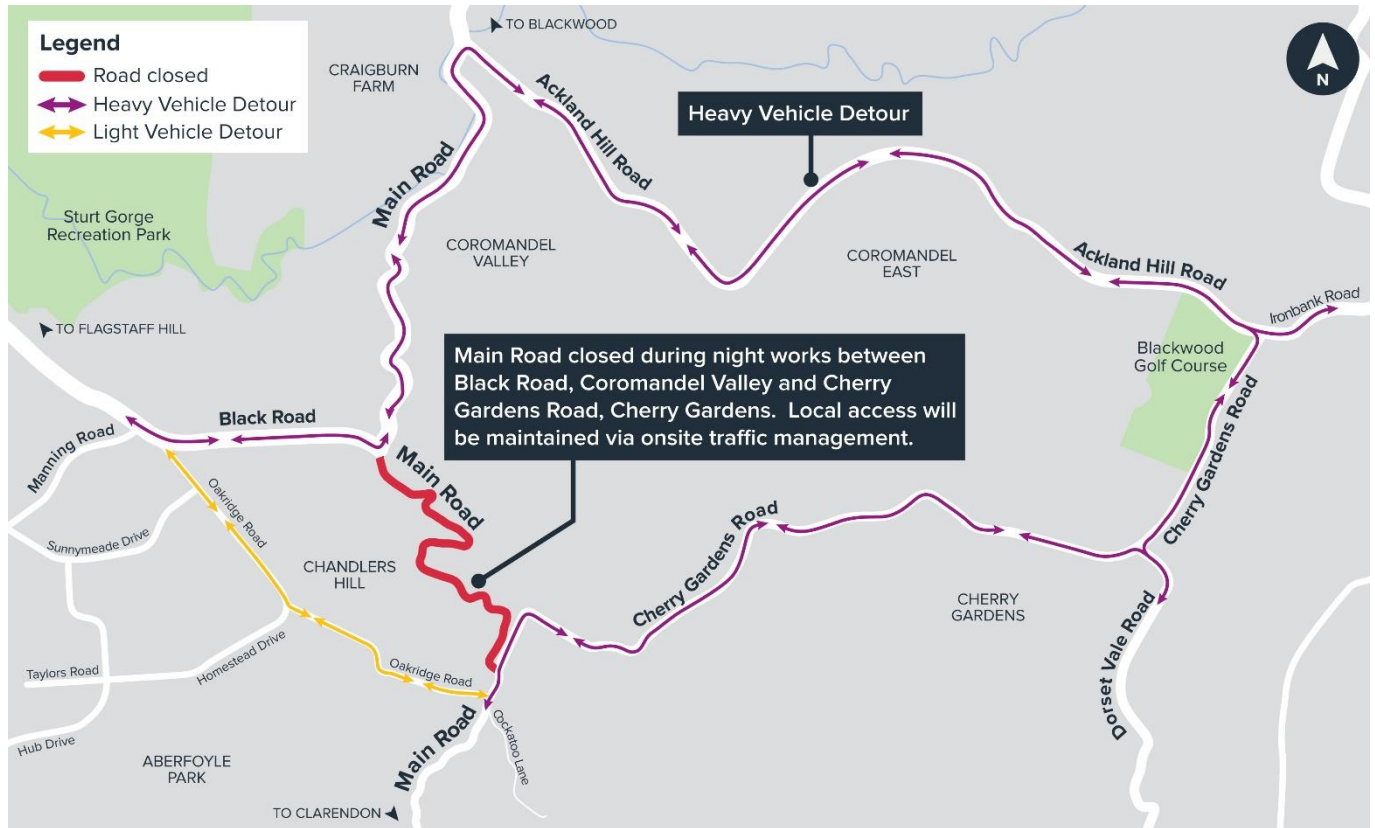

Government of South Australia

Department for Infrastructure and Transport
