

Joy Baluch AM Bridge Duplication Project

Rescheduling of site investigation works

As part of the project, the Department of Planning, Transport and Infrastructure (DPTI) advises that site investigation works will be undertaken at the intersection of Mackay Street and Princes Highway.

Please note these works have been rescheduled from 20 November, due to the recent catastrophic fire danger experienced across the state.

Timing of works:

Works are now expected to commence 7pm, Tuesday, 26 November, weather permitting, and be complete 6am Wednesday, 27 November, weather permitting.

Activities:

Location of existing utility services.

What to expect:

Temporary minor traffic restrictions may apply in the vicinity of the works at times. Signage will be in place to alert road users to any change to traffic conditions. Motorists are advised to take care when driving through the area.

Access to residential and business properties will be maintained at all times.

Night works are being undertaken to minimise impacts to traffic during the day and complete the works as quickly and safely as possible. DPTI will make every effort to minimise noise and disruption during this period.

We thank you for your patience while these essential works are carried out.

Yours sincerely

The Joy Baluch AM Bridge Project Team
