

# Nairne Intersection Upgrade

## Works Notification

The Department for Infrastructure and Transport (the Department) is delivering improved safety and traffic efficiency through the construction of a four-way, single lane roundabout realigning the Woodside Road and Saleyard Road T-junctions with the Old Princes Highway, Nairne. The State Government has committed \$13 million to this project which is being delivered as part of the Adelaide Hills Intersections Upgrade Initiative.

The construction of retaining walls, pavement, drainage infrastructure, and kerbing will commence in **mid-September 2021, for approximately six weeks, weather permitting**. Service relocations are continuing.

The majority of these works will be undertaken during the day, Monday to Saturday, between 7am and 6pm.

To safely undertake these works, speed and lane restrictions will be in place. **The junctions will remain open to traffic at all times**. Please take extra care when workers are on site. Observe speed limits, lane restrictions and traffic controllers when travelling through the area.

Access to properties will be maintained throughout the works, with advance notice provided if there is a need to temporarily restrict driveway access.

Pedestrians and cyclists are advised to take care when travelling through the area. For safety reasons there may be some restricted access. Where required, signage will be in place to direct pedestrians and cyclists to alternative access and/or detours. Every effort will be made to minimise impacts to the community.

Some noise disturbance can be expected at times while these works are completed, however the work will be managed to minimise disturbance to nearby residents and businesses as much as practically possible.

Public transport services will remain operational, however bus stops in the vicinity of the works, along Old Princes Highway and Woodside Road, may require temporary relocation. Advance notice of any temporary changes will be provided at bus stops and on the Adelaide Metro website [www.adelaidemetro.com.au](http://www.adelaidemetro.com.au).

The project is expected to be complete early 2022, weather permitting.

Please contact the project team at [dit.communityrelations@sa.gov.au](mailto:dit.communityrelations@sa.gov.au) or phone 1300 794 880 if you have any questions about this project.

The Department appreciates your patience whilst these important works are undertaken.

With kind regards,

Nairne Intersection Upgrade Project Team
