

Majors Road Interchange

Works Notification Update

The Australian and South Australian governments have committed to jointly funding (50:50) the \$120 million construction of a new interchange for the Southern Expressway at Majors Road, O'Halloran Hill.

As part of the project, establishment of the construction site offices will continue within the Riding for Disabled premises on Majors Road, O'Halloran Hill.

Initial site establishment works will also start shortly on Majors Road. Activities will include traffic modification works (including a new turning lane to access the new site office) and service location works.

What to expect

Initial works on Majors Road O'Halloran Hill will commence from **Monday, 25 September 2023**, weather permitting. The majority of these works will be undertaken during the day between 7am and 7pm, Monday to Saturday.

Major construction works are expected to commence in **December 2023**.

Majors Road and the Southern Expressway will remain open to traffic at all times however temporary lane and speed restrictions will be required to facilitate the works. Speed and lane restrictions will take place outside of peak periods on the Southern Expressway. Please take extra care when workers are on site. Observe traffic management signs, speed limits, lane restrictions and traffic controllers when travelling through the area.

Access to properties and businesses in the area will be maintained at all times during the works. In the event that property access is impacted, we will contact you directly ahead of these works occurring.

Access through the area for emergency services will also be maintained at all times. Some noise disturbance can be expected at times while these works are completed, however the work will be managed to minimise disturbance to nearby properties as much as practically possible.
