

**Work Safe.  
Be Safe.**

## Minimum Construction Safety Expectations

# Every worker must

- Report concerns about fatigue or fitness for work.
- Participate in pre-task risk assessments (i.e. Start Cards Take 5's).
- Understand and obey all safety rules that apply on site.
- Sign onto Safe Work Method Statement (SWMS) and re-sign, if and when changes are made.
- Hold the appropriate licence before undertaking high-risk construction work.
- Follow all instructions and conditions stated on work permits.
- Notify site supervision of any injuries, near misses, hazards and unsafe work practices; and if involved in a task where an incident has occurred, immediately stop work until cleared safe to resume by the Principal Contractor's representative.

**To support safe working practices further information and resources are available.**
