

# Grange Road, Holbrooks Road and East Avenue Intersection Upgrade

## Early Works Notice

We are upgrading the intersection of Grange Road, Holbrooks Road and East Avenue to relieve congestion and improve safety and connectivity for all road users at this location.

### What's happening:

To assist with early project planning, ground investigation works will be undertaken in the vicinity of the intersection.

To ensure these early works can be safely carried out and minimise the impact on road users, some works will need to occur at night.

### How this affects you:

Day works will occur intermittently between Sunday, 3 December 2023 and Friday, 12 January 2024. Day works hours are 9am to 3pm.

Night works will occur between Sunday, 3 December 2023 and Friday, 12 January 2024.

**No work will occur between Friday, 22 December and Monday, 8 January 2024.**

To do this work safely, temporary lane and speed restrictions will be in place.

Please plan your trips, be cautious around workers and observe signage.

Some noise disturbance can be expected at times while these works are completed; however, the work will be managed to minimise disturbance to nearby residents and businesses as much as practically possible.

We thank you for your patience during these important works.
