

North-South Corridor

Northern Connector Project

February 2018

South Road Superway night works – ramp closure and detour

As part of the Northern Connector Project, the Department of Planning, Transport and Infrastructure advises that the South Road Superway off-ramp to the Salisbury Highway will be closed for 2 nights.

Location: South Road Superway off-ramp, northbound to the Salisbury Highway (see map).

Commencing: Wednesday 14 February 2018, for 2 nights (weather permitting).

Workhours: Between 7pm and 5am.

Activities: Placement of additional safety barriers on the ramp.

Traffic management: Access to the Salisbury Highway will be maintained via a detour to the Hanson Road interchange (refer to map).

Speed and lane restrictions will apply in the vicinity of the works, including the South Road Superway. Signage and traffic management will be in place to advise motorists of changed conditions.

Please note, the full length of the South Road Superway off-ramp to Salisbury Highway will be reduced to a single lane only from Friday 16 February 2018, for the duration of the Southern Interchange works.

Thank you for your patience while these important works are undertaken.

More information: To sign up for traffic updates, please contact the Project Information Line on 1300 916 221 or email your contact details to northernconnector@lendlease.com.
