

# Main South Road Duplication Planning Study – Have your say

## About the project

The Main South Road Duplication will be delivered in two stages:

**Stage 1:** Seaford to Aldinga. This has been identified as a priority and the State Government is investing \$305 million for Stage 1.

**Stage 2:** Aldinga to Sellicks Beach.

A Planning Study for the Main South Road Duplication has commenced. It covers both stages of the project and will include an evidence-based concept plan for Stage 1 (Seaford to Aldinga) informed by consultation with stakeholders.

**Stakeholder and community engagement forms an important part of the study and we value your input. We invite you to respond by 31 July 2019.**
