

# Gawler Rail Electrification Project

## Works Notification

**As part of the Gawler Rail Electrification Project, the Department of Planning, Transport and Infrastructure (DPTI) advises that works will be undertaken adjacent the Gawler rail corridor in Gawler South and Gawler West.**

**Locations:** adjacent the rail corridor, near Sixteenth Street, Gawler South and Ashford Street, Gawler West (see map overleaf).

**When:** between 7am and 5pm on Monday, 22 July, Tuesday, 23 July and Wednesday, 24 July (weather permitting).

**Activities will include** civil works required for new power pole installations.

### **Traffic management:**

- Fifteenth Street, Sixteenth Street, Rice Avenue, Peel Street and Ashford Street will be under traffic management while these works are in progress. Speed and temporary lane restrictions may be required, and signage will be in place to advise motorists of changed conditions.
- Access to residential and business properties will be maintained at all times.
- Pedestrian and cyclist access will be maintained at all times.

No electricity outages are anticipated for these works, however should any be required, they will be communicated to residents and businesses by SA Power Networks.

Work crews will make every effort to minimise the disturbance to residents and businesses.

Thank you for your patience as we undertake this important project.
