NOTE: Your Business is expected to complete a Tailored Industry Participation Plan if successfully down selected.			

BACKGROUND:

The South Australian Industry Participation Policy (SAIPP) establishes the framework by which obligations to provide opportunities for capable South Australian enterprises are given full, fair and reasonable opportunity to tender and/or participate in a government contracts.

It is important to note the *Industry Advocate Act 2017* provides the Industry Advocate authority to review and assist in the negotiations for Industry Participation Plans to ensure they comply with the SAIPP prior to the finalisation of contract conditions.

The SAIPP acknowledges the direct influence design and specifications can have on industry participation outcomes and economic contribution to the State.

The Industry Advocate supports the Government's long-term objective of building resilience into the supply chains of Government contracts. Of course, resilience in supply chains can be

achieved in many ways from diversifying the supplier base to utilising innovation and technology to improve productivity.

The Aboriginal economic participation section of the SAIPP aims to increase the level of Aboriginal engagement and participation through employment and economic opportunities arising out of Government's expenditure.

Industry Participation Plans (IP Plans) are used to measure the economic contribution to the State or region through three key indicators labour, supply inputs and capital associated with the contract.

OBJECTIVE:

The Statement of Intent (Sol) forms part of the industry participation process and the information provided will be used to benchmark a SAIPP, submitted at Stage 2. Please note a Contractor must implement a Tailored Industry Participation Plan – Stage 3 if there is to be a Design and Construct or Managed Services contract.

- SAIPP – Stage 1 (Sol – Stage 1) followed by;
- SAIPP – Stage 2 (SAIPP – Stage 2) (review and negotiation with the Industry Advocate)

The terms contained within this Document are intended to form the basis for commitments prior to the finalisation of the Plan (*herein Industry Participation Plans will be referenced as an Industry Participation Plan* by shortlisted businesses).

The Industry Advocate, under the functions of the *Industry Advocate Act 2017* has the discretion to review and assist in the negotiations for Industry Participation Plans to ensure that they comply with the SAIPP prior to the finalisation of contract conditions.
