

**Work Safe.  
Be Safe.**

## Minimum Construction Safety Expectations **When on site, every person must**

- Be free of alcohol and illegal drugs.
- Be inducted regarding safety requirements, emergency procedures and potential hazards.
- If needed, ask for assistance to understand any safety information and instructions given.
- Stop any observed at risk or unsafe behaviour.
- Never place themselves or others at risk of injury.
- Wear a hard hat, safety glasses, safety footwear, high visibility reflective vest or jacket (suitable for day works and night works as appropriate), long pants and long sleeves (rolled down), and carry/use safety gloves (always suitable to the task being undertaken).
- Not use mobile phones whilst operating plant or walking in the work site.

**To support safe working practices further information and resources are available.**
