

Gawler Rail Electrification Project Works notification

January 2019

Lane closure Pym Street, Dudley Park and Prospect

As part of the Gawler Rail Electrification Project, the Department of Planning, Transport and Infrastructure (DPTI) advises that works will be undertaken adjacent the Gawler rail corridor on Pym Street, Dudley Park and Prospect.

Location: Pym Street, with the westbound lane closed to traffic in the vicinity of the rail crossing - see map.

When: Tuesday 29 January between 9am and 2pm, weather permitting.

Activities: Resurfacing and line marking following the completion of recent services re-location works.

Traffic management:

- Detours, speed and temporary lane restrictions will be required (refer to map).
- Signage and traffic management will be in place to advise motorists of changed conditions.
- Access to residential and business properties will be maintained at all times.
- Pedestrian and cyclist access will be maintained at all times.

Work crews will make every effort to minimise the disturbance to residents and businesses.

Thank you for your patience as we undertake this important project.

Follow www.facebook.com/DPTISA for regular project updates.
