

South Australian Regional Bridge Upgrades

Alexandrina Road – Culvert Replacement Works

Works by the Department for Infrastructure and Transport (the Department) to replace the culvert on Alexandrina Road, located between Brookdale Road and Tucker Road are continuing. These works will extend the service life of the structure and improve safety for road users.

Works will continue **Monday to Friday, between 7am and 5pm**. Some weekend work may also be required.

To accommodate these works, the road closure in place on Alexandrina Road will be extended until Thursday, 6 April 2023. During this time the temporary detour will remain in place. Local access will be maintained at all times. Please see map overleaf for details.

Following the detour period, the road will reopen with traffic reduced to a single lane. Temporary traffic signals will be in place to control the direction of traffic. Speed restrictions will also be in place throughout the work area for the remainder of the works.

Road users are asked to please plan ahead, expect delays, allow extra travel time and take extra care when workers are on site. Observe speed limits, lane restrictions and traffic controllers when travelling through the area.

Access to properties will be maintained throughout the works wherever possible, with advance notice provided if there is a need to temporarily restrict driveway access.

Some noise disturbance can be expected at times during these works. However, the work will be managed to minimise disturbance to nearby properties as much as practically possible.

Over the Easter Period

There will be no work undertaken over the Easter long weekend, Friday, 7 April to Monday, 10 April 2023. During this time Alexandrina Road will remain open with traffic reduced to a single lane. Temporary traffic signals will be in place to control the direction of traffic. Speed restrictions will also be in place throughout the work area.

The Department appreciates your co-operation and patience while these important works are undertaken.

This project is expected to be completed in mid-2023, weather permitting.

To keep up to date as these works progress, we encourage the community to register for email updates. Please visit the project website <http://www.dit.sa.gov.au/SARegionalBridges> to register.

If you have any questions or would like to speak to a member of the project team, please call 1300 794 880 or email DIT.Engagement@sa.gov.au

Kind regards
