

Anderson Walk, Smithfield Bicycle and Pedestrian Actuated Crossing (BPAC)

Project Update

We are making it safer and more convenient for cyclists and pedestrians to cross Anderson Walk

As part of the South Australian Government's Greenways and Cycle Path Program, we are working in local communities to encourage active travel and provide safe dedicated walking and cycling routes.

What's happening

We are installing a new Bicycle and Pedestrian Actuated Crossing (BPAC) on Anderson Walk adjacent Smithfield train station.

The upgrade will improve pedestrian safety and access to nearby retail shops, businesses, homes, and public transport while improving connectivity across Anderson Walk.

How this affects you

Major works are nearing completion with traffic restrictions, including the closures of the Anderson Walk railway crossing during work hours, will continue until finishing works are complete in late June 2025.

To ensure safety while working in the vicinity of an active rail line the railway crossing on Anderson Walk will be closed to all traffic during night works.

A vehicle detour will continue to be in place during closures for the remainder of works. Please see detour map overleaf for more information.

Speed and lane restrictions will be in place during work hours. Please plan your trips, be cautious around workers and follow the speed limits and signs. Outside of work hours, speed restrictions will remain in place as required.

When

Ongoing until late June 2025, weather permitting

Hours of work

Day Works

Monday to Friday
7am to 5pm

Some Saturday work may also be required

Night Works

Monday to Friday
7pm to 5am

Where

Anderson Walk, between Graeber Road and Station Road, Smithfield

Improved pedestrian safety and connectivity

Smoother and safer travel for pedestrians and cyclists

Government
of South Australia

Pedestrians and cyclists, please be cautious when passing through the area. Some areas may have restricted access, with traffic controllers on site to guide you to alternative routes.

Access to properties and businesses will be maintained at all times. Advance notice will be provided if short term access restrictions are required. Please contact DM Roads on 1300 012 413 for urgent enquiries and access requests outside of business hours.

There may be some noise from time to time, but we'll do our best to keep the disruption to a minimum.

There will be temporary impacts to bus stops in the area, please check the latest updates on scheduled services at www.adelaidemetro.com.au

Thank you for your patience while these important works are undertaken.
