## Temporary closures on the Outer Harbor, Grange and Gawler lines over Easter

As part of the Torrens Rail Junction Project, the Outer Harbor, Grange and Gawler lines will be temporarily closed from Friday 30 March 2018 and continue throughout the Easter period.

This closure is required for tamping of the new rail lines, to undertake signalling works in the rail corridor and for final commissioning of some components of rail infrastructure.

Substitute buses will be provided and will replicate the existing train timetables as closely as practicable.

There will be no impact to MAC Footy Express services with the lines to temporarily close after the conclusion of the Adelaide Crows v Richmond Tigers Thursday night game.

### Outer Harbor and Grange lines

- The rail line will be closed between Adelaide and Outer Harbor/Grange from Friday 30 March.
- Services will resume from the first service Tuesday 3 April.
- Substitute buses will pick up and set down at Stop W1 North Terrace (outside the convenience store at 136 North Terrace).

### Gawler line

- The Gawler rail line will be closed between Adelaide and Mawson Lakes from Friday 30 March.
- Services will resume from the first service Monday 2 April.
- Substitute buses will pick up and set down at Stop D North Terrace (outside the InterContinental Adelaide).
- Train services between Mawson Lakes and Gawler will continue to operate as normal.

Temporary timetables for substitute buses are available on the Adelaide Metro website [www.adelaidemetro.com.au](http://www.adelaidemetro.com.au) or alternatively commuters can contact the Adelaide Metro InfoLine on 1300 311 108 for assistance.

Adelaide Metro's free [metroMATE](#) app for [Apple](#) or [Android](#) also provides real-time information about services and details on disruptions and delays.

Signage will be in place at affected train stations and substitute bus stops to direct passengers.

Thank you for your patience whilst these important works are undertaken.
