

# Station Refresh Program Works

## Kudla Railway Station - update

The Department for Infrastructure and Transport (the Department) is delivering improvement works at 14 stations along the Gawler rail line. The Australian and South Australian governments have jointly (50:50) committed \$20 million as part of the Gawler Rail Line Station Refresh Program.

Works underway at Kudla Railway Station are progressing and will continue intermittently until **early 2022**. Hours of work are 7am to 5pm Monday to Friday. Please note that there will be no works between Friday, 24 December 2021 and Monday, 3 January 2022, inclusive.

Some noise disturbances can be expected at times while these works are completed, however the works will be managed to minimise disturbance to nearby residents and businesses as much as practically possible.

Some temporary pedestrian detours will be in place around the work site and pedestrians are advised to follow directional signage. Every effort will be made to minimise impacts to the community.

There will be no impact to public transport services as part of this project.

For further information on public transport services, please contact Adelaide Metro on 1300 311 108 or visit [www.adelaidemetro.com.au/railclosures](http://www.adelaidemetro.com.au/railclosures)

If you have any enquiries about these works, please phone 1300 794 880 or email [dit.communityrelations@sa.gov.au](mailto:dit.communityrelations@sa.gov.au)

The Department appreciates your co-operation and patience while these important works are undertaken.

Kind Regards,

Community and Stakeholder Engagement Team.
