

Upgrade to Kingscote Main Jetty, Fisherman's Wharf Jetty and Screw Pile Jetty, Kingscote

The works will include:

- re-decking on the Kingscote main jetty;
- repair and replacement of structural components including new piling and cross bracing on the main jetty, Fisherman's Wharf and Screw Pile jetties;
- removal of infrastructure that is no longer required, including the steel wharf and slipway north of the main jetty; and
- removal of the redundant 'Ro-Ro' ramp at the end of the main jetty.
