

# Adelaide Hills Productivity and Road Safety Package

## Main Road, Cherry Gardens

We are delivering the Adelaide Hills Productivity and Road Safety Package to upgrade key strategic arterial roads in the region. The road improvements will support economic growth, improve road safety and increase fire resilience. The \$150 million initiative is jointly funded by the Australian Government (80%) and South Australian Government (20%) over five years.

### What's happening:

Major works are continuing on Main Road, Cherry Gardens with road widening and drainage activities underway. Works are moving progressively along Main Road.

Traffic arrangements and working hours will change throughout the project to suit construction activities and ensure the safety of workers and the community.

**This update outlines what is planned from mid to late March 2024.** We will provide regular updates as the project progresses.

Project completion is expected in early 2025.

### How this affects you:

#### Main Road – Between Black Road and Cherry Gardens Road

To safely undertake these works:

- **Main Road, between Black Road and Cherry Gardens Road, will be temporarily closed during the day with light vehicles detouring via Oakridge Road and Black Road.**
- Heavy vehicles will be required to detour via Cherry Gardens Road and Ackland Hill Road during works.

See detour map over the page.

## Main Road – Between Cherry Gardens Road and Chandlers Hills Road

Traffic on **Main Road, between Cherry Gardens Road and Chandlers Hill Road, will be reduced to a single lane of traffic.** Traffic controllers will be in place to control the direction of travel.

Speed and lane restrictions will also be in place during work hours where required.

Works will move progressively along Main Road, Cherry Gardens.

Local access will be maintained by onsite traffic controllers during work hours. Outside of work hours, Main Road will be fully reopened.

Some properties in close proximity to the works will have some restricted access. The project team will contact affected property owners, residents and businesses directly in advance.

Access for emergency service vehicles will be provided at all times.

No works will be done during catastrophic fire days. Outside of catastrophic days when work is underway, traffic controllers will facilitate emergency vehicles through work site and respond to South Australian Country Fire Services (CFS) as required. For information on planning and preparing for the bushfire season, please visit the CFS website at [cfs.sa.gov.au/plan-prepare](https://cfs.sa.gov.au/plan-prepare).
