

# Majors Road Upgrade

## Project Update

The South Australian Government has committed \$7 million for upgrades along Majors Road, O'Halloran Hill, between the Southern Expressway and Main South Road and between Lonsdale Road, Ocean Boulevard and the Southern Expressway.

The Majors Road Upgrade aims to improve the overall operation and safety of Majors Road and ensure the road caters to current and future traffic demands. The project will result in safer journeys and provide efficient access to the adjacent facilities. The project is expected to support 35 full time equivalent jobs during construction.

Over the coming months the following works will be undertaken between the Southern Expressway and Main South Road:

- excavation of the existing road;
- construction of a new road junction at the access to Glenthorne National Park, including minor drainage works;
- installation of a refuge at the Patrick Jonker Veloway (bikeway);
- installation of new road lighting; and
- asphalt works.

To safely facilitate these works, traffic management will be in place from **Monday, 31 January to April 2022, weather permitting**. Works will be carried out from Monday to Friday between 7am and 5pm, and Saturday from 7am to 1pm.

Majors Road will remain open during the works, with a 25 km/h speed restriction in place while workers are on site. Lane and other speed restrictions may apply, subject to onsite conditions.

Local access and access for emergency service vehicles will be maintained at all times during these works. Access to properties will be maintained throughout the works wherever possible, with advance notice provided if there is a need to temporarily restrict driveway access.

Whilst there will be some temporary impacts at various locations for pedestrian and cyclists, access will be maintained at all times, with traffic controllers onsite to assist.

Some noise disturbance can be expected at times while these works are completed, however the work will be managed to minimise disturbance to nearby residents and businesses as much as possible. You may also notice some odour which is common when asphaltting works are underway.

Please plan ahead, allow extra travel time and take extra care when workers are on site. Observe speed limits, lane restrictions and traffic controllers when travelling through the area.

Department for Infrastructure  
and Transport

## OFFICIAL

The Department for Infrastructure and Transport appreciates your co-operation and patience while these important works are undertaken.

In addition, planning is underway for the upgrade works on Majors Road, between Lonsdale Road, Ocean Boulevard and the Southern Expressway. More information will be provided about this upgrade in the coming months.

If you have any questions or would like to speak to a member of the project team, please call 1300 794 880 or email [dit.CommunityRelations@sa.gov.au](mailto:dit.CommunityRelations@sa.gov.au)

We invite you to join the project mailing list to receive project updates and information as it becomes available. You can register your details by visiting the project website at [www.dit.sa.gov.au/majors\\_road](http://www.dit.sa.gov.au/majors_road) and selecting *Registration, Feedback and Suggestions*.

Kind regards

The Majors Road Project Team
