

Golden Grove Road Upgrade – Stage Two

Highgrove Road – temporary closure, detours, asphalt works and night works

As part of the Golden Grove Road Upgrade Project - Stage Two, the Department for Infrastructure and Transport (the Department) advises that Highgrove Road, Wynn Vale **will be temporarily closed from 9am, Monday, 28 June 2021, for approximately one week**, weather permitting. Please refer to the attached map for detour routes.

Asphalting works will also be undertaken at various locations along Golden Grove Road between Park Lake Drive and north of Highgrove Road commencing **Wednesday, 30 June 2021, for approximately one week**. In order to minimise traffic impacts and ensure the works can be completed safely and efficiently, these works will be undertaken at night. The road will remain open to traffic, with speed and lane restrictions in place.

Day work hours: Monday to Friday between 7am and 4:30pm.

Night work hours: Sunday to Saturday between 6pm and 7am.

Activities: works will include earthworks, lighting and asphalt works to complete the road connection from the junction of Golden Grove Road with Highgrove Road and various other locations along Golden Grove Road.

An asphalt profiler, tippers, compaction equipment and lighting towers will be used during these works. Some noise disturbance can be expected at times while these works are completed, however the works will be managed to minimise disruption as much as practically possible.

Traffic management: access to Highgrove Road for motorists travelling northbound and southbound on Golden Grove Road will be via Park Lake Drive, for the temporary closure period. Please refer to the detours on the attached map.

Speed and lane restrictions will apply in the vicinity of the works, with traffic management in place to advise motorists of the changed traffic conditions.

Please plan ahead, allow extra travel time and take extra care when workers are on site. Observe speed limits, lane restrictions and traffic controllers when travelling through the area.

Public transport: changes have been made to public transport services on Golden Grove Road. Bus stops 51 (West) and 52 (East) are temporarily closed for construction and will be fully operational by early July 2021. Please use bus stop 52 (West) and 51 (East) as an alternative during this time. Notices are on the bus stops to inform passengers of these changes.

All other bus stops within the vicinity of the construction area will remain open. For more information regarding changes to bus stops and timetables, please visit: www.adelaidemetro.com.au

BUILDING
WHAT MATTERS

Pedestrian detours: pedestrian detours and path closures remain in place on Golden Grove Road. Pedestrians are advised to take care when travelling through the area and observe signage of path closures.

For safety reasons there may be some restricted access. Pedestrians are advised not to enter fenced off areas under construction while works are undertaken.

Access to local businesses in the area will remain open whilst these works are in progress. Please support your local businesses.

If you have any questions or would like to speak to a member of the project team, please call 1300 794 880 or email dit.ggrup@sa.gov.au

For real time roadwork information visit www.addinsight.com.au/app and download the app, available for Apple or Android.

The Department appreciates your co-operation and patience while these important works are undertaken.

Kind regards

Golden Grove Road Upgrade Project Team
