

# Golden Grove Road Upgrade Project – Stage Two

## Bus Priority Treatments

Dear Resident/Property Owner/Business Owner

The Department for Infrastructure and Transport (the Department) is improving public transport travel along Golden Grove Road by adding Bus Priority Treatments at identified intersections, as part of the \$30 million South Australian Government funded Golden Grove Road Upgrade Project, Stage Two. The project objective is to improve the public transport travel time, accessibility, reliability and safety for all road users.

The North East Public Transport Study identified the need for improvements to O-Bahn bus services in the area and determined that intersection upgrades with dedicated bus 'priority lanes' at the following intersections along Golden Grove Road were the preferred option to reduce travel time for commuters. Bus Priority Treatments will be installed at the following intersections:

- Golden Grove Road/ The Grove Way/ Yatala Vale Road.
- Grenfell Road/ Golden Grove Road.
- Milne Road/ Golden Grove Road.
- North East Road/Modbury Avenue/ Golden Grove Road.

Please refer to the enclosed concept map for further details.

Works are scheduled to commence **Monday, 9 August 2021**, and be complete **late 2021**, weather permitting. Works will be undertaken **Monday to Friday, between 7am and 5pm**.

To safely undertake these works, speed and lane restrictions will be in place during the works. Road users are asked to plan ahead, allow extra travel time and take extra care when workers are on site. Observe speed limits, lane restrictions and traffic controllers when travelling through the area.

Access to properties will be maintained throughout the works wherever possible, with advance notice provided if there is a need to temporarily restrict driveway access.

Pedestrians and cyclists are advised to take care when travelling through the area. For safety reasons there may be some restricted access. Where required, signage will be in place to direct pedestrians and cyclists to alternative access and/or detours. Every effort will be made to minimise impacts to the community.

Whilst there will be some temporary impacts at various locations for pedestrian and cyclists, access will however be maintained at all times, with traffic controllers onsite to assist.

Some noise disturbance can be expected at times while these works are completed, however the work will be managed to minimise disturbance to nearby residents and businesses as much as practically possible.

Bus Stop 46 on the east and west side of Golden Grove Road will be permanently relocated, please refer to attached concept map.

BUILDING  
WHAT MATTERS

Please note, at times during construction works, some bus stops along Golden Grove Road may require temporary relocation. Advance notice of any temporary changes will be provided at bus stops and on the Adelaide Metro website ([www.adelaidemetro.com.au](http://www.adelaidemetro.com.au)).

For more information about changes to bus stops and timetables, please visit: [www.adelaidemetro.com.au](http://www.adelaidemetro.com.au)

If you have any questions regarding these works or would like to speak to a member of the team, please call 1300 794 880 or email: [dit.ggrup@sa.gov.au](mailto:dit.ggrup@sa.gov.au) or visit [www.dit.sa.gov.au/ggrup](http://www.dit.sa.gov.au/ggrup).

The Department appreciates your co-operation and patience while these important works are undertaken.

Kind regards

Golden Grove Road Upgrade Project Team
