

Station Refresh Program Works

Gawler Oval and Gawler Central Railway Stations

The Department for Infrastructure and Transport (the Department) is delivering improvement works at 14 stations along the Gawler rail line. The Australian and South Australian governments have jointly (50:50) committed \$20 million as part of the Gawler Rail Line Station Refresh Program.

Works at Gawler Oval and Gawler Central Railway Stations include:

- platform repairs;
- new station signage; and
- new platform line marking.

Night works will be undertaken **Monday, 4 April 2022, and Tuesday, 5 April 2022**, weather permitting. Hours of work will be 7pm to 6am on both days.

Some noise disturbances can be expected at times while these works are completed, however the work will be managed to minimise disturbance to nearby residents and businesses as much as practically possible.

Pedestrian access will not be affected during these works.

There will be no impact to public transport services during these works as the line is currently closed as part of the Gawler Rail Electrification Project. Substitute bus services will continue to operate during this time.

Every effort will be made to minimise impacts to the community.

For further information on public transport services, please contact Adelaide Metro on 1300 311 108 or visit www.adelaidemetro.com.au

If you have any enquiries about these works, please phone 1300 794 880 or email dit.communityrelations@sa.gov.au

The Department appreciates your co-operation and patience while these important works are undertaken.

Kind Regards
Community and Stakeholder Engagement Team
