

# South Australian Regional Bridge Upgrades

## Bridge over Meadows Creek, Mawson Road, Meadows

The Department for Infrastructure and Transport (the Department) is upgrading a series of bridges and culverts across regional South Australia to extend the service life of the structures and improve safety for road users.

As part of this program, the Department will be upgrading the bridge over Meadows Creek, located on Mawson Road in Meadows.

This work is funded by the South Australian Government as part of the Bridge Stimulus Package.

Works are scheduled to commence **from early November 2022, with project completion expected in mid-2023, weather permitting**. Typically, the work will be undertaken between 7am and 5pm, Monday to Fridays, weather permitting. Some weekend work may also be required.

Works for the project will include site establishment, vegetation management and removal, service relocation, construction of a retaining wall, strengthening of the existing bridge and installation of new safety barriers.

**To safely facilitate these works, traffic will be reduced to a single lane with temporary traffic signals in place on Mawson Road to control the direction of traffic. Speed restrictions will also be in place throughout the work area for the duration of the project.**

Road users are asked to please plan ahead, expect delays, allow extra travel time and take extra care when workers are on site. Observe speed limits, lane restrictions and traffic controllers when travelling through the area.

Access for emergency service vehicles and public transport will be maintained at all times during the works.

Access to properties will be maintained throughout the works wherever possible, with advance notice provided if there is a need to temporarily restrict driveway access.

Some temporary pedestrian detours may be in place around the work site and pedestrians are advised to follow directional signage. Every effort will be made to minimise impacts to the community.

Some noise disturbance can be expected at times while these works are completed, however the work will be managed to minimise disturbance to nearby residents and businesses, as much as practically possible.

The Department appreciates your co-operation and patience while these important works are undertaken.

To keep up to date as these works progress, we encourage the community to register for email updates. Please visit the project website [www.dit.sa.gov.au/SARegionalBridges](http://www.dit.sa.gov.au/SARegionalBridges) to register.

If you have any questions or would like to speak to a member of the project team, please call 1300 794 880 or email [DIT.Engagement@sa.gov.au](mailto:DIT.Engagement@sa.gov.au)

Kind regards

**South Australian Regional Bridge Upgrades Project Engagement Team**
