

# Adelaide Hills Productivity and Road Safety Package

## Onkaparinga Valley Road, Safety Improvements

We are delivering the Adelaide Hills Productivity and Road Safety Package to upgrade key strategic arterial roads in the region. The road improvements will support economic growth, improve road safety and increase fire resilience.

The \$150 million initiative is jointly funded by the Australian Government (80%) and South Australian Government (20%) over five years.

### What's happening:

We are continuing to undertake works to improve safety along Onkaparinga Valley Road, between Verdun and Woodside. Additional asphalt night works are required at/near:

- Beasley Road, Oakbank;
- Nightingale Court, Oakbank;
- Nairne Road, Woodside;
- Bridge Road/Greenhill Road, Balhannah; and
- Bridge Street, Balhannah (maintenance).

### How this affects you:

There will be changes to traffic conditions to keep everyone safe. Please follow traffic management directions while works are in progress. Outside of work hours, traffic restrictions will be required.

Pedestrians and cyclists might also need to use a different path during the works; however, signs will show you where to go.

## OFFICIAL

During the works, there might be some noisy disruptions from time to time, but we'll do our best to keep the noise to a minimum. You might also notice some odours, which is normal during asphalt work.

A few bus stops in the area might be affected for a short time. Please pay attention to the signs at the bus stops and check the latest updates at [www.adelaidemetro.com.au](http://www.adelaidemetro.com.au) for more information.

For any traffic or property access questions during work shift hours, please contact **Boral Asphalt Pty Ltd** on 0401 895 651.
