DIT Approved Products

Roadworks and Bridgeworks Contracts

Manufacturers and/or contractors wishing to obtain approval for a product may forward their enquiry directly to the appropriate DIT technical specialist or email: DIT.Tenders@sa.gov.au. Note that in some categories, DIT may restrict the number of approved proprietary products to minimise the stock of spare parts kept by DIT.

The following products are approved for use on DIT Roadworks and Bridgeworks Contracts.

TEMPORARY TRAFFIC CONTROL DEVICES (Refer Part PC-SM1)

Temporary Boom Gate products

- Portaboom

Temporary Speed Humps
