

North-South Corridor

Northern Connector Project

Port Wakefield Road, Bolivar – night works and changes to southbound lanes

Night works will be undertaken on Port Wakefield Road, Bolivar (southbound only), as part of the Bolivar Road upgrade and Bolivar Interchange works.

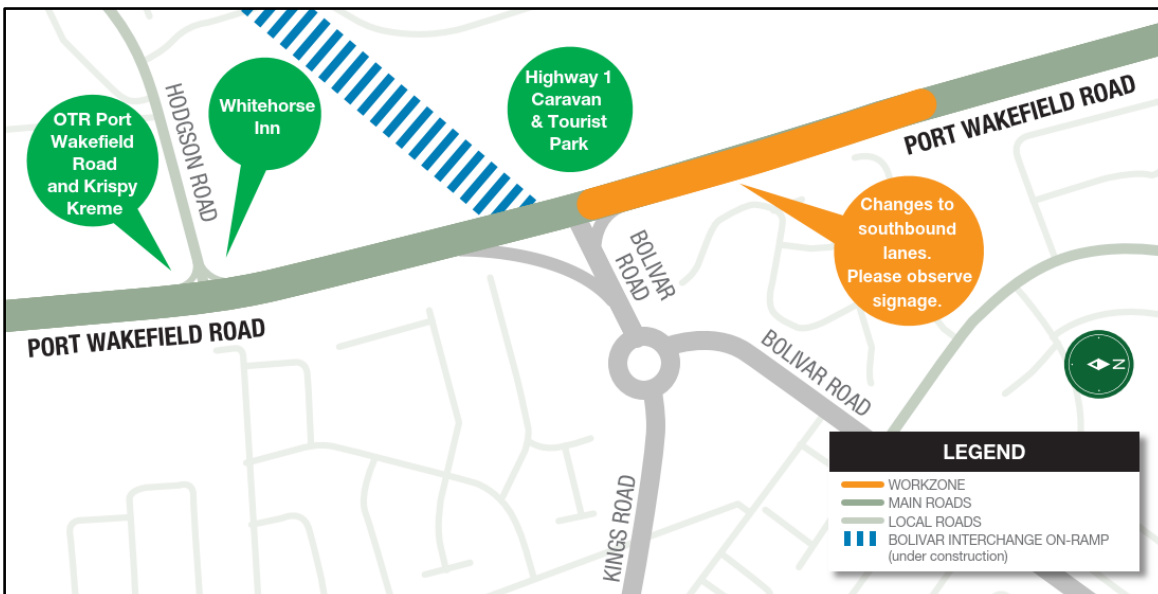

Dates: From Wednesday 12 June, for approximately three nights (weather permitting). Please note, there will be no works undertaken on Friday or Saturday nights.

Work hours: Between 7pm and 5am.

Activities: Installation of safety barriers and new line marking.

Traffic management: Port Wakefield Road, southbound lanes will be reduced from three to two lanes during these works and while works continue for the Northern Connector (see map below). Speed restrictions will apply in the vicinity of the works, with traffic management in place to advise motorists of changed conditions.

The Northern Connector is scheduled for completion late 2019.

Thank you for your patience while these important works are undertaken.
