

South Australian Regional Bridge Upgrades

Bridge over Light River, Marrabel Road (near Marrabel)

The Department for Infrastructure and Transport (the Department) is upgrading the bridge over Light River on Marrabel Road, located near the junction with Rowett Road, south of Marrabel. These works will extend the service life of the structure and improve safety for road users.

To accommodate these works, a temporary road closure will be in place on Marrabel Road **from Thursday, 20 April 2023, for approximately two weeks, weather permitting**. During this time a temporary traffic detour will be in place for all vehicles. Please see detour map overleaf.

Following this detour period, the road will reopen with traffic reduced to a single lane. Temporary traffic signals will be in place to control the direction of traffic. Speed restrictions will also be in place throughout the work area for the remainder of the project.

Road users are asked to please plan ahead, expect delays, allow extra travel time and take extra care when workers are on site. Observe speed limits, lane restrictions and traffic controllers when travelling through the area.

Access to properties will be maintained throughout the works wherever possible, with advance notice provided if there is a need to temporarily restrict driveway access.

Some noise disturbance can be expected at times whilst these works are completed. However, the work will be managed to minimise disturbance to nearby residents, as much as practically possible.

This project is expected to be completed in June 2023, weather permitting.

The Department appreciates your co-operation and patience while these important works are undertaken.

To keep up to date as these works progress, we encourage the community to register for email updates. Please visit the project website www.dit.sa.gov.au/SARegionalBridges to register.

If you have any questions or would like to speak to a member of the project team, please call 1300 794 880 or email DIT.Engagement@sa.gov.au

Kind regards
