

Adelaide Hills Productivity and Road Safety Package

Main Road, Cherry Gardens

We are delivering the Adelaide Hills Productivity and Road Safety Package to upgrade key strategic arterial roads in the region. The road improvements will support economic growth, improve road safety and increase fire resilience. The \$150 million initiative is jointly funded by the Australian Government (80%) and South Australian Government (20%) over five years.

What's happening:

Major works are now starting on Main Road, Cherry Gardens. Project completion is expected in early 2025.

Traffic arrangements and working hours will change throughout the project to suit construction activities and ensure the safety of workers and the community.

This update outlines what is planned until mid- March. We will provide regular updates as the project progresses.

Night works from Sunday 3 March 2024 to Friday 15 March 2024 will include road widening and drainage enhancements.

Day works from Monday 4 March 2024 to Friday 15 March 2024 will include vegetation removal works and drainage preparation works.

How this affects you:

Temporary detours at night

To safely undertake these works, **Main Road (between Black Road and Cherry Gardens Road)** will be temporarily closed each night with a detour in place. Local access will be maintained by onsite traffic controllers to assist. Please see detour map overleaf.

Heavy vehicles will be required detour via Cherry Gardens Road and Ackland Hill Road during night works.

For any traffic or property access questions during night work hours, please contact Bardavcol on **0499 686 232**.

When

Sunday 3 March 2024 to
Friday 15 March 2024.

Weather permitting

Hours of operation

Night works

Sunday – Thursday
7pm – 5am

Day works

Monday – Friday
10am – 3pm

Where

Along Main Road between
Black Road and Cherry
Gardens Road

Australian Government

Government
of South Australia

Department for Infrastructure
and Transport

Traffic conditions during the day

There will be changes to traffic conditions to keep everyone safe. Traffic will be reduced to a single lane of traffic, with traffic controllers in place to control the direction of travel. Speed and lane restrictions be in place during work hours, where required, with works moving progressively along Main Road, Cherry Gardens.

Works will move progressively along Main Road. Some properties in close proximity to the works may have some restricted access. The project team will contact affected property owners, residents and businesses directly in advance.

Access for emergency service vehicles will be provided at all times. During catastrophic fire danger days, or at other times as requested by the South Australian Country Fire Services (CFS), traffic management contractors will be on standby and actively respond to CFS advice. For information on planning and preparing for the bushfire season, please visit the CFS website at cfs.sa.gov.au/plan-prepare
