

# North-South Corridor Darlington Upgrade Project

## Night Works Main South Road/Ayliffes Road/Shepherds Hill Road intersection

Night works will continue until mid September 2017 at the Main South Road intersection with Ayliffes Road and Shepherds Hill Road, Bedford Park, for the Darlington Upgrade Project.

These drainage and electrical conduit installation works will occur from Monday to Friday between the hours of 8pm and 6am and will involve the use of an excavator, machine, compaction equipment, light towers and small trucks.

Some noise disturbance can be expected at times while these works are completed, however the work will be managed to minimise disturbance to local residents as much as possible.

Main South Road, Ayliffes Road and Shepherds Hill Road will remain open at all times, with lane closures in place as required and half of the road closed at times.

Temporary traffic management measures will be in place to alert motorists and road users are asked to use extra caution when workers are on site. Traffic and speed restrictions will apply in the vicinity of the works. Signage will alert motorists to the changed traffic conditions.

If you have any questions or would like to speak to a member of the project team who will be available 24 hours, seven days a week, please contact us on 1300 759 334 or email: [enquiries@gatewaysouth.com.au](mailto:enquiries@gatewaysouth.com.au)

Thank you for your patience while these works are undertaken.

Kind Regards,  
Darlington Upgrade Project Team
