

# Adelaide Hills Productivity and Road Safety Package

## Main Road, Cherry Gardens

We are delivering the Adelaide Hills Productivity and Road Safety Package to upgrade key strategic arterial roads in the region. The road improvements will support economic growth, improve road safety and increase fire resilience.

The \$150 million initiative is jointly funded by the Australian Government (80%) and South Australian Government (20%) over five years.

### What's happening:

Works are continuing along Main Road, Cherry Gardens between Black Road and Chandlers Hill Road. Traffic arrangements and working hours will change throughout the project to suit construction activities and ensure the safety of workers and the community. We will provide regular updates as the project progresses.

### How this affects you:

**During the Easter long weekend, works will cease from 5pm Thursday 28 March 2024, and will recommence 7pm Tuesday 2 April 2024. During this time Main Road will reopen to traffic, with speed restrictions in place throughout the area for safety reasons.**

**Between Tuesday 2 April 2024 and Friday 26 April 2024, works will continue both during the day and at night.** Changed traffic conditions will be in place throughout the work area. We ask that you take care when travelling through the work zone.

**During night works, Main Road (between Black Road and Cherry Gardens Road) will be temporarily closed, with detours in place.** Local access for residents will be maintained by onsite traffic controllers, with all other light and heavy vehicles required to follow the detours. See detour map for more information. Please note that Main Road will reopen outside work hours.

#### When

Tuesday 2 April 2024 to Friday 26 April 2024, weather permitting.

#### Hours of operation

##### Day works

Monday to Friday  
10am to 3pm

##### Night works

Monday to Friday  
7pm to 5am

#### Where

Along Main Road between Black Road and Chandlers Hills Road

Australian Government

Government of South Australia

Department for Infrastructure and Transport

Traffic on Main Road between Cherry Gardens Road and Chandlers Hill Road will be reduced to a single lane of traffic during night works where works are being undertaken. Traffic controllers will be in place to control the direction of travel.

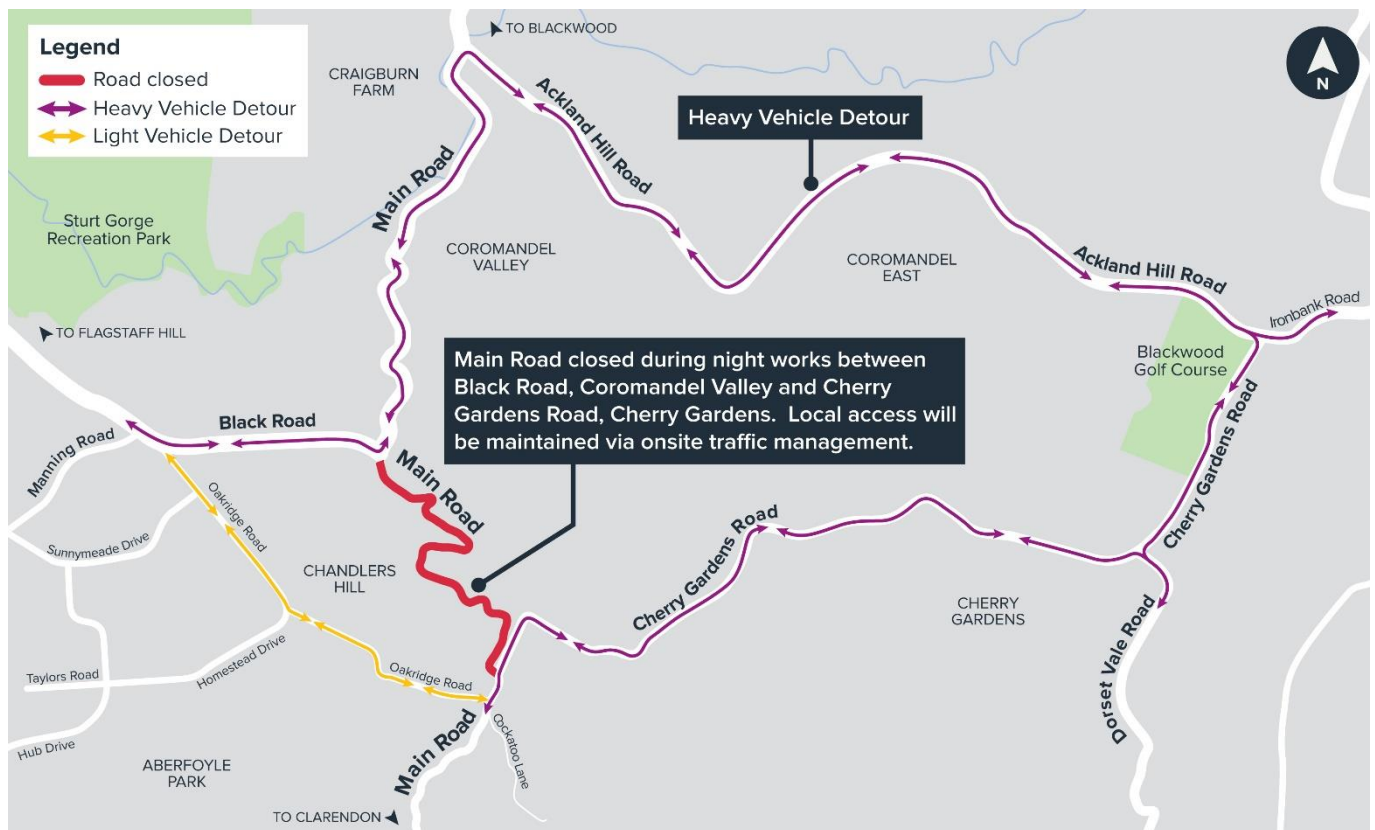

**During day works traffic on Main Road (between Black Road and Chandlers Hill Road) will be reduced to a single lane of traffic, with traffic controllers in place to control the direction of travel. Speed restrictions will also be in place.**

Some properties in close proximity to the works will have some restricted access. The project team will contact affected property owners, residents and businesses directly in advance. For any traffic or property access questions during night work hours, **please contact Bardavcol on 0499 686 232.**
