

Darlington Upgrade Project

Tonsley Boulevard/South Road works & temporary closure of Quinlan Avenue and Tobruk Avenue, St Marys 24 – 27 May 2019

As part of the Darlington Upgrade Project, Quinlan Avenue and Tobruk Avenue will be temporarily closed at the junction with South Road from 8pm Friday 24 May until 6am Monday 27 May 2019.

The closure is required to undertake drainage works underneath the southbound carriageway of South Road, between Quinlan Avenue and Lloyd Street, St Marys.

Southbound vehicles will be detoured onto the northbound carriageway of South Road through the work area.

Vehicles wishing to access Quinlan and Tobruk Avenue will need to do so via an alternative route such as Lloyd Street and Alfred Street or Brookman Avenue and Paul Street. Please see the map overleaf for further details.

Please follow on-site signage for access to local businesses.

A profiler, excavator, asphalt truck and lighting towers will be used. Some noise disturbance can be expected at times while these works are completed, however the work will be managed to minimise disturbance to local residents as much as possible.

Please note that road resurfacing and traffic signal installation works will also be undertaken at the intersection of Tonsley Boulevard and South Road throughout the weekend. As a result of the works, the traffic signals at the intersection will not be in operation from 8pm Friday 24 May until 6am Sunday 26 May. Movements from South Road to Tonsley Boulevard will be restricted to left in, left out during this time.

From 6am on Monday 27 May 2019, the right turn from Tonsley Boulevard to South Road will be permanently reinstated and the u-turn facility on South Road, north of the intersection, will be removed.

From the same time, the permanent, signalised pedestrian crossing on South Road, on the southern side of the intersection with Tonsley Boulevard, will become operational.

The above works are weather dependant so may need to be rescheduled in the case of excessive rain.

If you have any questions or would like to speak to a member of the project team who will be available 24 hours, seven days a week, please contact us on 1300 759 334 or alternatively email: enquiries@gatewaysouth.com.au. Thank you for your patience while these important works are undertaken.

Kind Regards,
Darlington Upgrade Project Team

20 May 2019
