

City Tram Extension Project

Finishing Works: October-December 2017

October 2017

The Department of Planning, Transport and Infrastructure (DPTI) would like to notify you of additional finishing works along North Terrace, between King William Road and East Terrace, and along King William Road, between North Terrace and the Adelaide Bridge on King William Road as part of the City Tram Extension.

These works are scheduled to commence from **Tuesday 17 October** and be completed by **Thursday 21 December**, weather permitting. The works will occur between the hours of 8pm and 6am, Sunday night to Friday morning.

Works will include the installation of the tram stop platforms and furniture along North Terrace, installation of overhead wiring (including supporting poles), paving, road re-surfacing, line marking and reinstatement of pedestrian crossings.

These works are being undertaken at night in order to minimise the impact to businesses and road users and to complete the works as safely and efficiently as possible. Access to businesses and properties will be maintained throughout the works.

Speed and lane restrictions will be in place in the vicinity of the works, however the road will remain open to traffic in both directions at all times. A 25 km/h speed restriction will be in place while workers are on site.

Every effort will be made to minimise noise impacts to nearby residents and businesses. However, some noise will be unavoidable during this period.

DPTI appreciates your patience and cooperation whilst these important works are undertaken.

For real time roadwork information, download the *Addinsight* app for Apple or Android or visit the Traffic SA website at www.traffic.sa.gov.au.

Regular project updates will be posted on the project website as it becomes available. To receive project updates via text or email register your interest at www.citytramextension.sa.gov.au.

If you have any further enquiries please telephone 1300 030 919 or email DPTI.CityTramExt@sa.gov.au
