

North-South Corridor

Northern Connector Project

St Kilda Road works - construction update

As part of the Northern Connector Project, the Department of Planning, Transport and Infrastructure (DPTI) advises that works are continuing along St Kilda Road at Waterloo Corner from 7am to 5pm on weekdays and Saturdays, until late May 2017.

Works include the continuation of site clearing and completion of the diversion road on St Kilda Road between Port Wakefield Road and Robinson Lane.

St Kilda Road remains open to traffic in both directions at all times, with a 40km/h speed restriction in place when workers are on site. Lane and other reduced speed restrictions may apply subject to on-site conditions.

Signage and traffic management is in place to advise motorists of the changed traffic conditions.

Thank you for your patience whilst these important works are undertaken.

For real time roadwork information visit www.addinsight.com.au and download the app, available for both Apple and Android, or visit the Traffic SA website at www.traffic.sa.gov.au.
